## Description

Let's start by defining what a portfolio website is. At its most basic form, a portfolio website provides professional information about an individual or a company and presents a showcase of their work. ... To supply site visitors with information about the individual or company. To showcase work

The screenshot shows a professional portfolio website. At the top, there is a dark header bar with a small logo and a search bar. Below the header, the main title 'I AM A DESIGNER' is prominently displayed in large, bold, white letters. The page content is organized into three main sections: 'About', 'Portfolio', and 'Contact'. The 'About' section includes a bio, a 'View CV' button, and a 'Download' button. The 'Portfolio' section displays a grid of five thumbnail images, each with a title and a 'View Project' button. The 'Contact' section includes a bio, a 'Send Message' button, and a 'Download' button. The overall design is clean and modern, using a white background with dark blue and grey accents.
