IncorpMaster is a one stop platform for all incorporation need and filing for small business owners and entrepreneurs in BC and Canada. The company offers not only business registration, but also filings of all other governmental units that a corporation needs to do. The company targeted the goal of making incorporation very simple and easy for Canadian small business owners and entrepreneurs.

Together with corporation registration, IncorpMaster™ also offers other governmental filings such as CRA Business Number set up, Corporate Tax Account Registration, GST/HST Account Set up, Payroll Account Registration, Import-Export Account Registration, WCB/WSIB/WSB registration, share certificates, corporate seal
